To meet federal requirements, we have sent the proposed biennial updates for review to the Governor, the State Job Training Coordinating Council, the Chancellor's Office of California Community Colleges, and the California Department of Education. Federal regulations also provide that the biennial updates must be made reasonably available to the general public. Therefore, we published notices on April 17, 1992 in the California Regulatory Notice Register, Los Angeles Times, Fresno Bee, Sacramento Bee, and San Francisco Chronicle stating that the proposed updates are available upon request to the State Department of Social Services.

If you have any questions concerning the information in this letter, please call Mr. Gipson at (916) 654-1527.
